

TRANSPORTATION REGISTRATION FOR NON PUBLIC STUDENTS

In order to schedule non-public transportation for next year we need the following information:

(Please complete one form for each student)

Student's Name _____

Address _____ Zip _____

Phone No: _____ School Year _____ Grade _____

Emergency Phone No: _____

School planning to attend _____

Transportation needed: _____ A.M. _____ P.M. _____ Both

Pick up/Drop off Point: _____
(Office use only)

Starting Date: _____
(Office use only)

Parent Signature

We must have this information by the last day of school for Lakota Local Schools in order to complete routing and supply you with accurate pick up times.

Students who return information after the deadline will not be included in the routing process. Those students will have to provide their own transportation for two weeks or go to the nearest established bus stop. After two weeks we will assign everyone a route.

Students who are "now and then" riders will not be included on the route but must go to the nearest established stop for pick up if a ride is needed occasionally.

Please return to your bus driver or to:
